PALESTINE

During Dhul Hijjah of 2023, **69%** of Palestinians in Gaza struggled to afford enough food. Even before the war, Gaza was almost unliveable because of the debilitating blockade, consistent deadly airstrikes, and high levels of unemployment.

Amid devastation and displacement in Gaza, Human Appeal adapted distributions where necessary, providing fresh meat where possible and canned/meat packs where

access was restricted. Gaza distributions prioritised IDPs and hosting communities, reaching tens of thousands and offering families a moment of comfort amid conflict through Qurbani and Eid support.

SENEGAL

Half of all people in Senegal live below the poverty line, struggling to meet their basic needs each day. With **70%** of food imported here, and since the price hikes related to the war in Ukraine, families already facing hardship are now struggling to afford staple foods.

Last Eid, your Qurbani helped families in Senegal celebrate with joy and togetherness, despite ongoing economic hardship and rising food prices.

With your support, **279 goats and sheep** were sacrificed across Thies and Touba Toll, producing **7,650 kg of fresh meat**. These distributions reached **385 households (2,300 people)**, offering relief to families struggling to afford basic foods.

Each Qurbani share was divided among several families, allowing them to enjoy a nourishing Eid meal and the blessings of community.
