Dear Sir,

Subject: Expression of Gratitude for the Adahi Project / West Bank.

On behalf of the Ministry of Social Development (MOSD) and the Palestinian people residing in the refugee camps in the northern area of the West Bank, I extend our heartfelt gratitude for your generous Adahi project during the holy Eid al-Adha.

Your generosity has profoundly impacted the lives of many individuals in the Northern camps of the West Bank, including those in Tulkarem, Nour Shams, Balata, Old Askar, Ein Beit Elmaa, Jenin, Tubas, and Al-Faraa camps. The distribution of meat to families in need has provided not only sustenance but also hope to these communities.

We also extend our sincere thanks to Rusk Company for their instrumental role in making this project possible.

We look forward to continuing our partnership in providing relief and aid to both Gaza and the West Bank. Currently, Gaza has numerous needs, including food, cash, clothing, blankets, shelter, water, gas, and medical supplies. It is essential to coordinate with us to ensure all necessary data is provided through our national social registry, enabling optimal transparency and accountability in the distribution process.

Thank you once again for your cooperation and unwavering support for Palestine.

Sincerely,

Dr. Samah Hamad

Minister of Social Development
